SELECTED BIBLIOGRAPHY OF CINDERELLA RESOURCES

COMPILED BY BOB KITCHENS, RON LAFRENIERE, AND KEN GRANT

Tony Letts sent an email asking if *The Cinderella Philatelist* might provide a list of resources that might serve as a basic philatelic library for Cinderella stamp collectors. The editor put out a call for help and received contributions from Bob Kitchens and Ron Lafreniere. As one might expect, the following list reflects the interests of the contributors. Bob Kitchens offerings focus on fakes and forgeries, while Ron Lafreniere's list has a decidedly Canadian flavour. My contributions match my interests as well – U.S. Cinderellas as well as early exhibition seals. Of course, readers will find omissions, but perhaps that can be corrected in the future. In the meantime, we hope this list will prove useful to those who seek to build a Cinderella philatelic library.
